

BEBR Sponsored Research Projects

The Bureau of Economic and Business Research conducts sponsored research as a part of its overall mission. The projects come from a wide variety of state and local agencies, non-profit organizations, and private companies. BEBR has completed the following sponsored projects over the past several years. Many reports resulting from these projects are available on the web (<http://www.bibr.utah.edu/Publications.html>). Please contact BEBR for the availability of additional reports for any of these sponsored activities.
